

# Nutrition and Food Science Academic Map

Department of Human Sciences

Middle Tennessee State University • Murfreesboro

An academic map is a suggested four-year schedule of courses based on degree requirements in the undergraduate catalog. This sample schedule serves as a general guideline to help build a full schedule each term. Milestones, courses, and special requirements necessary for timely progress to complete a major are designated to keep you on track to graduate in four years. ***Missing milestones could delay your program.***

**This map is not a substitute for academic advisement—contact your advisor if you have any questions about scheduling or about your degree requirements.** Also see the current undergraduate catalog ([catalog.mtsu.edu](http://catalog.mtsu.edu)) for a complete list of requirements and electives. *Note: Requirements are continually under revision, and there is no guarantee they will not be changed or revoked; contact the department and/or program area for current information.*

You may choose to attend a summer term to reduce your load during fall or spring terms but still stay on track to graduate in four years (see back). NOTE: Learning Support courses will alter the sequences on this map.

## Notes:

- 120 semester hours with at least a 2.00 grade point average; 12 of the last 18 hours must be taken at MTSU—not transferred
- 42 upper-division hours (3000-4000 level courses) with at least a 2.00 grade point average
- 30 upper-division hours must be taken at MTSU—not transferred
- 60 senior college hours (taken at a four-year college)

- Learning support courses do not count toward the 120-hour requirement or cumulative degree GPA.
- Courses used to fulfill high school deficiencies can only be counted as **elective or general education** credit.

*Any course substitution(s) must be approved on an MTSU Course Substitution form with appropriate advisor, department chair, and college dean signatures **before** being submitted to the graduation analyst.*
