## **2020–21 Actuarial Science Academic Map** Department of Mathematical Sciences Middle Tennessee State University • Murfreesboro

An academic map is a suggested four-year schedule of courses based on degree requirements in the undergraduate catalog. This sample schedule serves as a general guideline to help build a full schedule each term. Milestones, courses, and special requirements necessary for timely progress to complete a major are designated to keep you on track to graduate in four years. *Missing milestones could delay your program.* 

This map is not a substitute for academic advisement—contact your advisor if you have any questions about scheduling or about your degree requirements. Also see the current undergraduate catalog (catalog.mtsu.edu) for a complete list of requirements and electives. *Note: Requirements are continually under revision, and there is no guarantee they will not be changed or revoked; contact the department and/or program area for current information.* 

You may choose to attend a summer term to reduce your load during fall or spring terms but still stay on track to graduate in four years (see back). NOTE: Learning Support courses will alter the sequences on this map.

Suggested Fall/Spring Four-Year Schedule

| FRESHMAN FALL                              |       |   | FRESHMAN SPRING                    |       |   |  |  |
|--|-------|---|------------------------------------|-------|---|--|--|
| Course                                     | Hours | Milestones/Notes  | Course                             | Hours | Milestones/Notes  |  |  |
| MATH 1910 (Math)                           | 4     | Take MATH 1730 first if weak<br>background in Math; may take<br>MATH 1910 with acceptable<br>Math ACT score (26). | MATH 1920                          | 4     | Prereq: MATH 1910 with a C<br>or better   |  |  |
| ENGL 1010 (Comm)                           | 3     |   | ENGL 1020 (Comm)                   | 3     |   |  |  |
| Nat Sci (Rubric 1)                         | 4     |   | CSCI 1170                          | 4     | Prereq: MATH 1730 with a C or better  |  |  |
