

# 2025–26 Cybersecurity Management–Data Analytics Academic Map

Department of Information Systems and Analytics  
Middle Tennessee State University • Murfreesboro

**MIDDLE  
TENNESSEE**  
STATE UNIVERSITY.

An academic map is a suggested four-year schedule of courses based on degree requirements in the undergraduate catalog. This sample schedule serves as a general guideline to help build a full schedule each term. Milestones, courses, and special requirements necessary for timely progress to complete a major are designated to keep you on track to graduate in four years. **Missing milestones could delay your program.**

**This map is not a substitute for academic advisement—contact your advisor if you have any questions about scheduling or about your degree requirements.** Also see the current undergraduate catalog ([catalog.mtsu.edu](http://catalog.mtsu.edu)) for a complete list of requirements and electives. *Note: Requirements are continually under revision, and there is no guarantee they will not be changed or revoked; contact the department and/or program area for current information.*

<b>TOTAL HOURS IN PROGRAM: 120</b>					

# Cybersecurity Management–Data Analytics

## Suggested Fall/Spring/Summer Four-Year Schedule

### with Business Administration Minor

You may choose to attend a summer term to reduce your load during fall or spring terms but still stay on track to graduate in four years. Refer to [www.mtsu.edu/financial-aid/scholarships/](http://www.mtsu.edu/financial-aid/scholarships/) for information regarding use of the Lottery Scholarship for the summer term.

**NOTE:** Learning Support courses will alter the sequences on this map.
